

AN INTIMATE COMMUNITY

The Site Plan for Bramalea Urban Towns is simple and inspiring. Three urban town blocks are nestled around a small cul-de-sac, giving it an intimate, friendly enclave feel. To the east is Bramalea Road, and to the west are the wide open spaces of Batsman Community Park. All the homes are built to the highest quality standards with premium features and finishes. The community is well connected to the neighbourhood through walkways and roads.

BRAMALEA URBAN TOWNS
IS A BEAUTIFULLY PLANNED
COMMUNITY WHERE
EVERY HOME IS CLOSE
TO NATURE
